These serve  
our meals

There is always  
time . . .  
for drinking  
cokes,

For looking at  
the new magazines  
in the library,

For swimming,

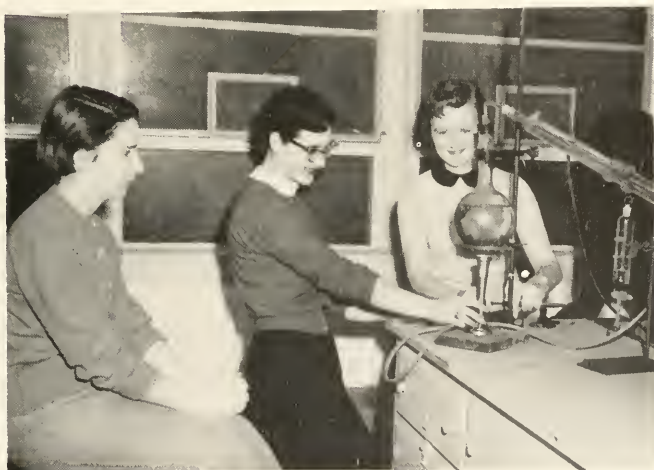

For listening to  
our juke box,

For just gabbing  
with the guys.

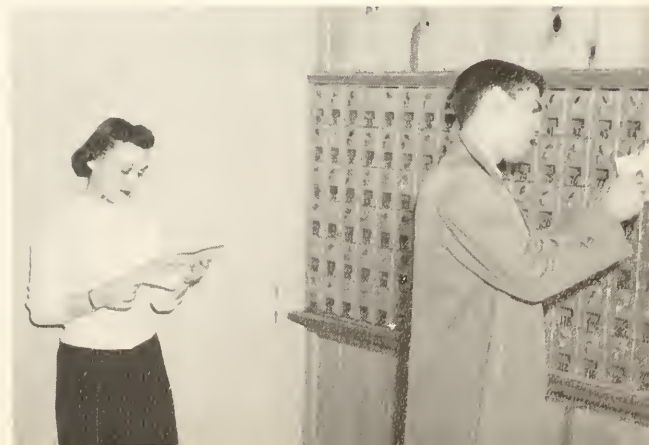

And—  
poor fellow—  
or rather—  
poor fellows!  
(Biology Lab)

But—then—there  
are labs too—  
This one is  
Organic Chemistry

A letter is  
always welcomed  
whether from home,  
friends, or—"it's  
just a circular."

Vesper time is  
at 6:30—  
(Here's our  
Chalk drawing  
of Christ)

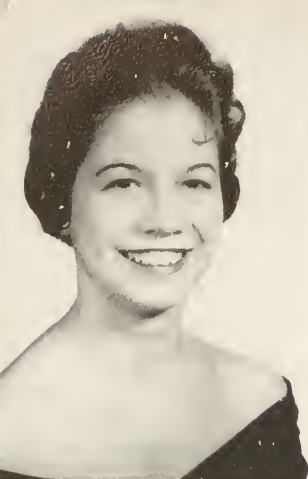

Now—  
It's time to say  
good night.

## ALMA MATER

On the Plains of Carolina  
Neath the skies so blue  
Stands our noble Alma Mater  
Glorious to view.  
With her classic walls and columns  
Looks she proudly down  
Reared against the arch of heaven  
With the stars for crown.

By Merherrian's rippling waters  
Where the sunbeams play  
We, her loyal sons and daughters,  
Pledge our love for aye.  
Pledge to her God grant His blessing  
May He give rich store  
Chowan we will ever cherish  
Love her ever more.
